

### [AVI Perspective: Examining the Status of the Current Global Liberal Order](#)

The United States has occasionally acted unilaterally, applying double standards within the global order it helped establish. Despite this, the US maintains its dominant position, even when prioritising its interests. Although some argue that American influence is waning, the US continues to benefit from and is protected by the liberal international order it created. This framework allows the US to pursue its agenda with greater flexibility, whilst other nations are often expected to adhere more strictly to established rules and norms.

### **AVI Commentary: Funan Techo Canal Project: Upholding Sovereignty and Development in Cambodia**

The completion of the Funan Techo Canal Project will catalyse socio-economic development in Cambodia and beyond. This new waterway will create employment opportunities, stimulate trade and investment, and enhance connectivity within Cambodia, the ASEAN community, and the wider region. By facilitating the transportation of goods and people, the canal will reduce logistical challenges and foster economic growth, particularly in Cambodia's rural areas. The project's impact is expected to extend beyond national borders, contributing to regional integration and prosperity.

## [AVI Commentary: Fostering Cambodia-Brunei Relations for Shared Growth](#)

'Fostering Cambodia-Brunei Relations for Shared Growth' outlines potential sectors for enhanced cooperation between Cambodia and Brunei. The report highlights opportunities in agriculture, the halal industry, tourism, and regional partnerships. By strengthening collaboration in these areas, both nations aim to stimulate shared growth and prosperity, ultimately benefiting the peoples of Cambodia and Brunei. The analysis emphasises the importance of leveraging each country's strengths to create mutually advantageous economic and cultural ties, whilst also contributing to broader ASEAN integration.

## [AVI Attended the “ASEAN-China Future Relations Forum: Towards a More Substantive Comprehensive Strategic Partnership”](#)

On 18-19 June 2024, Mr TON Linasopharith of AVI's Mekong Centre for Strategic Studies attended the "ASEAN-China Future Relations Forum" in Jakarta. The event, co-organised by the Foreign Policy Community of Indonesia, China's Mission to ASEAN,

and Tsinghua University's Center for International Security and Strategy, focused on enhancing the comprehensive strategic partnership.

During the Youth Dialogue Session, Mr. Sopharith shared his views on regional challenges facing ASEAN-China regional cooperation and identified strategies to strengthen their partnership and regional collaborative efforts amidst evolving geopolitical landscapes. After the forum, H.E. Dr. KAO Kim Hourn held an interface with youth participants to discuss the critical roles of youth in shaping the future of regional cooperation and building closer ASEAN-China relations.
